PATENT ASSIGNMENT

THIS ASSIGNMENT, effective as of the last date executed below, is by and between Amistar Corporation, a California corporation, and Distributed Delivery Networks Corporation, a Delaware corporation (collectively "Assignors") and Parata Systems, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, concurrently herewith, Assignors and Assignee have entered into an Asset Purchase Agreement (the "Purchase Agreement"), which provides for the sale, transfer, conveyance, and delivery of, among other things, all of the Assignors' right, title and interest in and to certain real and personal property; and

WHEREAS, pursuant to the Purchase Agreement, Assignors desire to transfer their right, title and interest in and to all issued United States and foreign patents and pending patent applications, patent disclosures, and any and all divisions, continuations, continuations-in-part, reissues, reexaminations, and extensions thereof, any counterparts claiming priority therefrom, utility models, patents of importation/confirmation, certificates of invention and similar statutory rights identified in Schedule A hereto (hereinafter "Patents") to Assignee and Assignee desires to acquire Assignors' right, title, and interest in and to said Patents;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and with the intention of being legally bound hereby:

1. Assignors hereby sell, transfer, convey, assign, and deliver to Assignee, all of the Patents, subject to the terms of the Purchase Agreement.
2. Assignors agree, at the request and expense of Assignee, to perform such proper additional acts, and to execute such additional documents, (a) as are deemed necessary by the Assignee or by the governmental agencies having jurisdiction over said Patents to effect the transfer of all of Assignors' right, title and interest therein to Assignee, its successors and assigns, (b) for maintaining and perfecting the Assignee's rights to the Patents, and (c) as may be or become necessary for obtaining, sustaining, re-examining, or reissuing said Patents. In furtherance thereof, Assignors hereby authorize such governmental agencies to identify Assignee as the owner of all letters patent issuing from applications pending among said Patents.

IN WITNESS WHEREOF, Assignors and Assignee executed this Assignment on the date(s) set forth below.
